### Steaks served with chips and salad

All of our quality *Graziers* beef cuts are export quality hormone free beef. The cattle are raised on natural pastures in *North Central Queensland* under the guidance of a strict quality assurance scheme.

The *Graziers* specifications ensure that we end up with the highest quality beef indicated by the smooth, close-grained texture, carnation red colour and finely marbled fat within the lean muscle.

These specifications ensure you will enjoy a healthy, tasty, tender, juicy and delicious steak every time. Our supplier guarantees it.
